

April 2015 Update

Increased ICL Interest

Turf & Amenity

ICL Specialty Fertilizers (formerly Everris) have commissioned training for five more members of their Turf and Amenity team. Stephen Squires (Business Director) and Richard Walton (Business Manager) told Frank that because of acquisitions and replacements more of Frank's 'commercial presentations' training was now needed.

Frank piloted this training last year with Henry Bechelet, ICL's Technical Sales Manager, UK and Ireland. After the training Henry said: 'This session with Frank has been hugely beneficial. It will help me to improve my future presentations and seminars. It was really great to engage with Frank - in a truly honest and positive manner'.

Continue to Learn

Frank has bid to run a number of 'Focus On' (2 hour) seminars at BIGGA's Continue to Learn event at Harrogate Week, 17-21 January 2016. A number of the seminars are linked. BIGGA members will be able to vote on which are included later this month.
