Norwegians to invade UK!

Gresskurs 2016

The Norwegian Greenkeepers Association, renowned for taking their annual week-long training programmes to glamorous and warm locations like Gran Canaria and Turkey, are bringing Gresskurs (Grass Course) 2016 to exotic Gatwick - actually Lingfield.

After being voted 'Top Presenter at Gresskurs 2008' Frank has at last been invited to run another one day seminar for the NGA - but this time the greenkeepers are coming to him!

Three for Fifty

Given the chance to choose his own theme for the whole day on 11 January 2016 - Frank opted to make a call to Norway and find out that three topics were most likely to be a priority for the 50 British NGA members working in Norway.

Accordingly the working title for the day will be: 'Problems, Conflicts and Difficult Decisions – the Sweet Life of the Greenkeeper'

In House – On Site

If you know what's needed Frank's 'In-House On-Site' service can be a god-send to employers.
