Dear Chairman of Green – Secretary/Manager

CHAIRMEN OF GREEN – SECRETARY/MANAGER WORKSHOP

The Greenkeepers Training Committee (GTC), in association with the England Golf, would like to invite you to a specially designed workshop, which would undoubtedly be of assistance to you in your position as Chairman of Green or Secretary/Manager.

Please check dates and venues at www.the-gtc.co.uk Please note that numbers are limited.

The Greenkeepers Training Committee has engaged the services of Laurence Pithie, Master Greenkeeper, one of its Quality Assured Training Providers, to present this workshop. Laurence will share his vast experience and knowledge of working for both private and commercial golf clubs. For further information about Laurence please visit his website www.turfmasterone.co.uk.

The golf course is your club's most important asset and its year round condition is the responsibility of both you, as a Chairman of Green or Secretary/Manager in association with the Course Manager/Head Greenkeeper. This often thankless task can include protecting your green staff from the more belligerent club members and struggling to get your Council to release sufficient funds to enable you to keep the course up to scratch. With this in mind, the workshop has been designed to cover every feature of your involvement as Chairman of Green or Secretary/Manager. The enclosed Agenda covers every aspect of your task and outlines what a responsible position you hold at your golf club. Comprehensive handouts will be given to all delegates attending the workshops.

In addition to the formal presentation, there will be every opportunity on the day to network with other Chairmen and Secretary/Managers. Some golf clubs have indicated they would also like their Course Manager to attend as part of improving the relationship between the 'employer and employee'.

It is many years since this type of workshop was available to our industry. We sincerely hope that you will be able to join us on one of these dates and, as places are very limited, we would suggest early registration to avoid disappointment.

If you wish to discuss any matters relating to the workshop please do not hesitate to contact me.

To register, please complete the registration form and return to the above address or email it to the GTC: golf@the-gtc.co.uk An invoice will then be raised for the workshop fee of **£40** per delegate.

Kind regards

David
